New summary as follows:

The bill requires that all proceeds generated from the sales of a state owned vehicles, excluding proceeds from the sales of vehicles of the Department of Transportation, Department of Conservation, Missouri State Highway Patrol, and all colleges and universities, be deposited into the Office of Administration revolving administrative trust fund with credit given to the state agency owning the vehicle at the time of sale. Upon appropriation, moneys received by the fund will be use solely for the purchase of vehicles by the state.

A position of state vehicle fleet manager is created within the Office of Administration. This fleet manager will be appointed by the Commissioner of Administration. The fleet manager will have the responsibility of instituting and supervising a state fleet vehicle tracking system, ensure that state vehicles are used only for state business, and comply with all purchasing policies when purchasing or maintaining state vehicles. The

fleet manager will also have the authority to suspend any agency's use of its credits established.

Agencies will be required to pay a state vehicle fleet fee on each agency vehicle. All state vehicle fleet fee money collected will be used for payment of the state fleet vehicle tracking system.

All state agencies will be required to submit annual reports to the manager by October 31 of each year and the fleet manager must submit an annual report to the legislature and the Governor by January 31 of each year. The required reporting information is spelled out in the bill.
